MEETING FACILITIES

JAMES ROBERTSON MEETING ROOM

This dynamic event space incorporates an operable partition to accommodate both large and intimate gatherings.

- Wood veneer walls encompass the space with detailed niches composed of built-in shelving, counters and cabinetry.
- Navy accents featured at the wall base and double doors create a sleek and bold contrast against the warm walls.
- Floors emulate a range of blue and beige colored carpeting in a rugged, geometric pattern.
- Classically crafted credenzas flank the space and provide an anchorage within.

FELIX BOARDROOM

Located adjacent to the James Robertson space off the Pre-Function.

- Features a deco-inspired light pendant and communal table with connectivity.

THE BUNGALOW ROOM

Located off the 12th floor rooftop elevator lobby.

- Folding glass wall systems open-up to the balcony and entrance to the pool deck.
- Original brick archways separate the main area from entry and niche, which highlights a custom curio with built-in mini fridge and locking safe.
- Porcelain tile flooring spans the space with a large deco-inspired geometric area rug.
- Loose seating and table surfaces are made flexible to allow for a variety of private events.
- A 65" Sharp LED Display is located on the north wall.

*Existing bar furniture is a set fixture in space.
