Chargrilled ethical meats, sustainable fish and plant-based dishes take centre stage here. Bright and vibrant brunches are a highlight and don't leave without trying a cocktail or two.
- **Dutch Bar** – Expect reimagined classics and rare spirits served with local flare at this unique cocktail bar. Unexpected and exotic flavours will take you on a taste journey across the globe, guided by a handwritten menu. When you're in need of a nibble Dutch offer small plate and shared platter food options. Think charcuterie, cheese, salads, and antipasti.
- **Roof Top Terrace** – Take your Kota experience up on the roof. Our rooftop menu will feature innovative botanical cocktails using aromatics, infusions and shrubs and hand-crafted by the team of expert mixologists. Crafts beers, showcasing a host of local breweries, play a part of the eclectic menu, as will nibbles and small plates.
- **Kota Coffee** – Stop by our funky coffee spot for third wave coffee, fresh juices and smoothies. If you need a bite to eat on the go then expect a selection of artisanal light bites. Pop-in and grab what you need or step inside for a relaxed vibe.
