RESTAURANTS & BARS

- **La Manzana Restaurant** - Its privileged location, with natural lighting that changes throughout the day, makes it one of the most emblematic places in the hotel, where you can enjoy unique and inspiring events. This restaurant is only available for the celebration of private events and by reservation.
- **Mery Barbola Bar** - Our bar goes beyond the after-work concept to become a meeting point for every type of occasion. Located in the lobby of Hyatt Regency Hesperia Madrid, this is the perfect place to relax.
- **Leña Restaurant** - Dani García's embers at Hyatt Regency Hesperia Madrid revolutionise the steakhouse world by offering diners an experience based on unique flavours. Leña breaks all the stereotypes of a traditional steakhouse by combining innovation, tradition and produce in the best way. Reservations required.
- **Smoked Room Restaurant** - Awarded with two Michelin Stars, the Smoked Room boutique restaurant offers a unique dining experience for up to 14 guests. The menu consists of 15 dishes selected by Chef Dani García that will vary according to seasonal ingredients. Reservations required.
