ACCOMMODATION

Set in the heart of Schwabinger Tor, originally home to the Bohemian heart of Munich, where writers, musicians and free spirits gathered, Munich's newest hotel inspires exploration of Bavaria's capital city, and encourages creative expression. The 234 residentially styled guest rooms and 43 suites as well as the public spaces showcase Bavarian design, materials and motifs. This contemporary hotel offers stunning views across the city and onto the alps from the rooftop bar and outdoor terraces.
