# FIRST NAME

FEEL GOOD PHILOSOPHY

**FirstName Bordeaux** opens its arms and heart, invites guests to sit around its tables, its counter, its sofas and its bar as citizens of the world to be residents of our neighborhood.

An address with a collaborative spirit, inclusive, accountable and scalable which disrupts the hotel industry of today and tomorrow.

## FIRST DESIGN

FirstName Bordeaux redeveloped an iconic building in the city, and through the eyes of architect Nicolas ADNET, designed the hotel in a way which appeals to our emotions.

## FIRST STAY

At FirstName Bordeaux, the 137 high-end rooms and suites comfort you and invite you to experience total relaxation:

- Luxurious bedding made in France
- Induction charging system for any smartphone
- Oceopin welcome products (Organic and Vegan) locally sourced
- Rain shower
- Filtered water and complimentary snacks in our shared kitchenettes
- Activated carbon bag for natural air filtration
- French coffee press with locally sourced roasted coffee
- Suites with whirlpool or Sauna

## FIRST MEET

The hotel has 5 fully-equipped meeting rooms for up to 70 people, all geared to total creativity. A speakeasy with its own bar and private terrace is also available for private use.

## FIRST PLACE

For business or leisure trips, FirstName Bordeaux offers an ideal location in the heart of the city near to Quays and the Water Mirror, the City of Wine, the Darwin Ecosystem, the concert hall Arkea Arena, the Matmut Atlantique stadium and more. And a few minutes away...the Vineyards and Arcachon Bay, one of the world's most renowned attractions.
