FIRST

NAME

FEEL GOOD PHILOSOPHY

FirstName Bordeaux opens its arms and heart, invites guests to sit around its tables, its counter, its sofas and its bar as citizens of the world to be residents of our neighborhood.

An address with a collaborative spirit, inclusive, accountable and scalable which disrupts the hotel industry of today and tomorrow.

FIRST DESIGN

FirstName Bordeaux redeveloped an iconic building in the city, and through the eyes of architect Nicolas ADNET, designed the hotel in a way which appeals to our emotions.

FIRST STAY

At FirstName Bordeaux, the 147 high-end rooms and suites comfort you and invite you to experience total relaxation:

- Luxurious bedding made in France
- Induction charging system for any smartphone
- Oceopin welcome products (Organic and Vegan) locally sourced
- Rain shower
- Filtered water and complimentary snacks in our shared kitchenettes
- Activated carbon bag for natural air filtration
- French coffee press with locally sourced roasted coffee
- Suites with whirlpool or Sauna
