It is ideal for meetings, conferences, dinners and special events and can be divided into 2 or 3 sections and accommodate up to 1,000 people.
- Savoy: This sophisticated space, designed in a contemporary style with stunning marble chandeliers, is ideal for wedding receptions, cocktail parties and conferences. The room can be divided into two sections and accommodate up to 400 people.
- The Red Rose: This is a residence-style function room. The venue's walls and ceiling are decorated with art that inspires thoughts of red rose petals, which generates a chic and elegant atmosphere. It is ideal for small wedding receptions or casual social gatherings.
- Drawing Room: The Drawing Room features an elegant, residential-style interior and is ideal for hosting cocktails, banquets, meetings and private parties.
- White Rose Chapel: The variety of shapes expressed in the chapel represents the blooming of a rose. The entrance is a mere bud, and, as you walk towards the altar, the space opens up just like a blooming rose.
