### DINING

- Conservatory: Located on level 23, the Hotel's lobby lounge offers versatile venues to meet your needs. Use our library as your daily office. Join us for light meals in the living room or for sweet treats at the patisserie. Interact with our chefs at our live patisserie kitchen while enjoying our homemade delicacies. A superb selection of specialty teas and coffees complement our irresistible baked goods. From 8:00 AM onwards, the Conservatory offers the best of European cafe-style comfort food and light meals.
- Dining Room: Located on level 22, the hotel's all-day restaurant offers the best of Indonesian and Italian cuisines. Breakfast, lunch and dinner are all served from a live kitchen. There are also multi-functional spaces for business meetings, family gatherings and events.
- KITA 喜多 Restaurant Located on level 37, KITA Restaurant features modern Japanese cuisine that is authentic but not traditional. The menu showcases a variety of cuisine styles such as Teppan Shabu-Shabu, Tempura, Robata, Sushi and Sashimi. Enjoy all-time favorites in a unique and timeless setting. Embark on a journey of Japanese delicacies in one of the restaurant's nine private rooms as you savor the finest flavors of our chefs' set menus.
- KITA Bar: Located on level 36, Kita Bar provides both outdoor and indoor spaces, as well as stunning sunset views of the National Monument and Central Jakarta. Unwind to the beats at our rooftop bar, enjoying signature cocktails and Japanese-inspired small plates. Revel in the sophisticated ambience from sunset until late.
- The Bar: Entering through the Lobby on level 23, you will find the Bar's classic elegance sets the perfect tone for informal business and social gatherings. Meet after work and experience gracious personal service in a luxurious setting. A place for light bites and expertly crafted beverages, accompanied by live musical entertainment, as you enjoy magnificent views of Jakarta from our outdoor terrace.
