

LINDNER
HOTEL

BRATISLAVA

**lifestyle & business above the
rooftops of bratislava.**

● **The modern Lindner Hotel Bratislava is located on the green roof of the “Central” shopping center, whose unique architecture is reminiscent of a park. From here, you have direct access to numerous shops and boutiques as well as a fitness center, and you are only a few minutes’ walk from the picturesque old town. Most of the rooms and the bar & lounge offer a wonderful view of the old town of Bratislava and its landmark castle. Discover the many possibilities of its exceptional location on the border triangle: In addition to the vibrant Bratislava, you can also explore Vienna.**

Location

As the only capital in the world bordering two states, Bratislava naturally has a lot to offer its visitors in every respect. Whether it's art and culture or shopping and nightlife, an extensive city stroll is certainly worth taking. It is also practical that you can "hop" from Bratislava to Vienna and back in a very short time! Whether on the Danube or by train, the journey from center to center takes about 1 hour! Our hotel is also located in the middle of the vibrant business district of Bratislava, just a few minutes' walk from the picturesque old town or the new football stadium.

Rooms

Stylish, elegant, very comfortable and with a wonderful view of the city from the upper floors, our 222 rooms and suites welcome you. The perfect mix of modern design and stylish charm with the right level of functionality means all of your wishes will be met here. Beautiful and practical details have been considered in the furnishings to make your stay in Bratislava a pleasant, feel-good experience.

Food & Drink

At Lindner Hotel Bratislava, you will not only enjoy our excellent breakfast buffet and our regional and seasonal specialties, but also a spectacular view of the sights! The Galleria restaurant and terrace offer a wonderful view of the beautiful park: This is also a feast for the eyes.

Events

Lindner Hotel Bratislava has three conference rooms for professional meetings and individual events. The highlight for smaller meetings is an exclusive boardroom on the 13th floor, with a fantastic view of the city. All meeting rooms have daylight, a ceiling height of 3.5 meters and state-of-the-art conference technology. Refreshingly uncomplicated design ensures problem-free events and the exceptional location on the park-like roof of the shopping center ensures relaxing breaks!
