Rooms

Our 111 "sporty" rooms are an original tribute to the world of sport. Each floor is dedicated to a sport, and our room categories are inspired by the colors of the Olympic medals. The spacious rooms are equipped with all comforts and differ in size and design depending on the category. But what they all have in common is the relaxed atmosphere and modern, stylish design that will make your stay in Frankfurt an unforgettable experience.

Food & Drink

Our lounge with beautiful patio in the courtyard invites you to a relaxed and naturally enjoyable get-together. Here you can meet in a cozy atmosphere for discussions, advice, chatting or just relaxing with friends, colleagues, business partners or family. Children's chairs are of course available, and furry friends are also welcome!
