#### Location

Welcome to the best area of Mallorca, between the luxurious Puerto Portals marina and the chic old town of Palma. Hardly any other area offers so much leisure value, gastronomy and opportunities for going out. The marina, beautiful bays and the picturesque hinterland are easily accessible by bike. Typical Mallorcan villages such as Calvia and Es Capdella as well as the UNESCO World Heritage Site Tramuntana Mountains are only a short drive away. In short: At Lindner Golf Resort Portals Nous, you’ll find luxury, culture and nature right on your doorstep.

#### Rooms

Like the entire hotel, the approximately 128 rooms and suites of the Lindner Hotel Mallorca Portals Nous also ooze exotic Africa. Equipped with all the comforts, the spacious rooms differ in size and design depending on the category. There are no standard rooms here! Each one is a little holiday world in its own right and, with a great deal of attention to decorative details, even the most stubborn everyday gray is dispersed. Balconies and terraces on the pool or golf course side also ensure sunny and star-clear holiday views!

#### Food & Drink

The Lindner Hotel Mallorca Portals Nous focuses not only on excellent cuisine, but also on a feel-good factor. “Soul food” for discerning connoisseurs and the relaxed, cozy atmosphere in our restaurants and bars always ensure a good feeling in the truest sense of the word.
