HOTEL

ENJOY CONTEMPORARY LUXURY IN THE HEART OF MAINZ

Our name originates from Otto Brunfels, born in Mainz in 1488. He was a pioneer famed for modernizing the world's understanding of botany. Brunfels Mainz pays homage to his originality by redefining modern hospitality in a city that makes history come alive. Fusing cherished traditions with contemporary sophistication and a natural style, Brunfels offers its guests elevated comfort with a local twist.

ORIGINAL – NATURAL – HARMONIOUS

A concept that is reflected in every detail: from the modern German seasonal cuisine over luxurious bedrooms and amenities with touches inspired by Otto Brunfels's love for botany up to the planted covered courtyard – an oasis in the middle of the old town. It is this central location, near iconic landmarks as the Mainz Cathedral or Gutenberg Museum, that makes Brunfels Hotel your perfect base to explore Mainz's rich heritage and vibrant culture, and experience the best of its past, present and future.
