

A wide-angle photograph of the Hamburg skyline across the Binnenalster. The image features several prominent buildings, including the spire of the Hamburg City Hall (Rathaus) on the left and the green-roofed spire of the Hamburg City Hall (Rathaus) on the right. A large, thick orange circle is superimposed over the center of the image, framing the text. The sky is a clear, pale blue, and the water in the foreground is calm, reflecting the buildings and sky.
